Activities that Both Occupations Have in Common

Similarity of Focus
Occupation to Associated
Occupation: 40

Focus Occupation: Dietitians and Nutritionists (29-1031)

Associated Occupation: Medical and Health Services Managers (11-9111)

Work Activities

Exclusivity of Activity

Make presentations on health or medical issues

50

Not all positions in these occupations will necessarily perform all of the listed activities. The exclusivity rating is an indication of how unique the activity is amongst all occupations. The maximum rating is 100. High scores indicate that only a small number of occupations engage in that activity.
